

STEPS/REQUIREMENTS TO BECOME A FELLOW

Step I: Textbook “Orthodontic Principles, **Not Just Another Spring**, Beyond **Bio-Mechanics** to **Bio-Analytic™ Mechanics**” Volumes I & II required, Volume III (optional, coming soon).

Step II: A seminar, the 2 day introductory seminar featuring both fixed and removable appliances 14 CE Credits. Including your individual cases for review of clinical management. The 2 day seminar includes the Case Selection Guide for options of fixed or removable applications and patient’s informed consent via treatment plans. Also included are:

NEW SCIENCE:

- A. Theorem
- B. Hypothesis
- C. **VECTORLOY™** Wire

CASE STUDIES (how to manage):

- A. Fixed appliances
- B. Removable appliances

Step III: An advanced seminar with case presentations and case selections. This is a 14 hour interactive course, one on one with the presenter. There is a 3 hour bonus on day 2 with the presenter, when you will be able to present cases for options and clinical management.

Step IV: Case presentations with records.

- A. Removable 1-10 cases depending on difficulty.
- B. Fixed 1-10 cases depending on difficulty.
- C. Fixed and removable 1-10 cases

The presentation requirement can be fulfilled as a presentation format during a seminar or presented to the **VECTOR III®** Administrator for review and consideration.

Step V: Statement of Fellow as to progress level in case selection and case management. Acceptance of responsibility to:

- A. Make case selection/options.
- B. Treatment Plan.
- C. Clinical Management of:
 - I. Removable appliance treatment.
 - II. Fixed appliance treatment.
 - III. Removable and fixed appliance treatment.
- D. Recognition and implementation of patient rights as to advised informed consent of treatment options and treatment plans.

Step VI: **VECTOR III®** pledge, dedicated to:

- I. Highest quality standard of orthodontic care.
- II. Concerns and happiness of orthodontic patients.
- III. Continued participation in the advancement of orthodontics.

Step VII: Selection of Membership/Fellow options.

- I. Annual membership renewal for members in good standing with service fee and issuance current certificate.
- II. Authorization of use of Membership/Fellow information on:
 1. Business cards
 2. Office
 3. Phone book and listings

Guidelines will be supplied for example of appropriate usage and samples of each usage by Fellow need to be submitted and written approval made. Trademark and Copyright issues make this necessary.

Step VIII: Option for website listing by zip code. Contact information of office address and phone, fax and e-mail. This would be available as a directory of Fellow practitioners or

patients requiring availability of **VECTOR III®** Certified Treatment in their area. An annual fee for this service can be added to membership renewal as an option.

Membership/Fellow requirements and benefits may change on an annual basis. These will reflect the needs and requirements of it's Members, Fellows and the patients' needs and rights.
