**SEMINAR EXPLORES ORTHODONTIC CASE SELECTION,
PLUS CLINICAL TREATMENT AND USE OF VECTOR III®
FIXED AND REMOVABLE APPLIANCES**

VECTOR III® offers many products for both fixed appliance treatment and removable appliance treatment. We strive to not only help the doctor treat the patient more efficiently, but also in less time, with less discomfort and with fewer side effects. These are examples of what the appliances can achieve.

VECTOR III® is being acclaimed by educators and clinicians as being the greatest advancement in the standard of orthodontic care in 30 plus years.
